

MAINTENANCE ACHIEVEMENT AWARD

Texas Recreation and Park Society
State Awards

OFFICIAL NOMINATION FORM

This award will recognize creativity or innovation in the development of unique equipment to solve a particular problem; the development or discovery of a material or chemical to solve a problem; or the development and implementation of a system or process to maintain a park, building, pool, or piece of equipment more efficiently or effectively.

Provide information to support the innovation, uniqueness, cost savings, or other factors that set your project, process, or problem solving technique apart from standard maintenance and operations processes.
