2024 STATE MAINTENANCE RODEO CHAMPION

Pasadena Parks and Recreation Department

MAINTENANCE RODEO

The TRAPS Maintenance Rodeo, a flagship program, showcases the exceptional skills of maintenance crews across Texas. From navigating truck and trailer challenges to demonstrating precision in plant identification, this competition highlights the professional prowess of our teams. Beyond the thrill of the event, it fosters a sense of community among park operations professionals, providing a platform for networking and knowledge exchange to keep our parks safe and beautiful.
